We're proud of Witney- and we're working with you

Your Labour councillors build relationships with community groups because we recognize that these are the beating heart of Witney. Because we live and work here, we value the community spirit and traditions of our town. Councillors have secured facilities and grants to champion everything from Park Run to the Music Festival and Carnival. We have locked in contracts for four years to make sure events we value have a secure future.

Many of us are enjoying the newly reopened Corn Exchange, which is now an arts venue with regular plays, comedy and music, jazz nights and pantomimes. You might also have popped in for a coffee or enjoyed a £10 bottle of prosecco at the Fizzy Fridays with friends. This vibrant place represents everything we value: a focus for our great town's talents and community! Some political parties seem to be constantly criticizing the town, but we believe in Witney! With committed, positive councillors, we know it can grow and flourish in the years ahead.

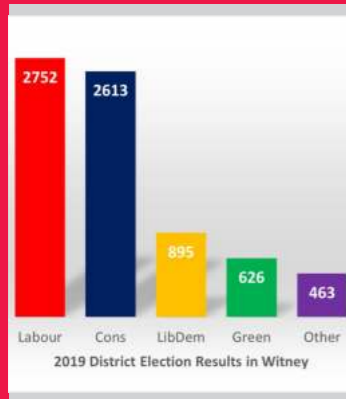

Looking Forward, not Back

Labour councillors look to the future of our town. Now our High Street has been opened to pedestrians, we are all enjoying the cleaner, safer space it has become. Browsing shop windows, sitting outside our wonderful cafes and pubs and meeting up with friends is much more pleasant now traffic has been reduced. Watch out next month for a public exhibition of ideas and plans for continued expansion of the high street opening. You will be able to

contribute your ideas for the longer-term vision as well as immediate improvements as we take our beautiful market town into a cleaner, safer future. Your Labour Council has appointed a ranger who is planting wildflower verges, maintaining green spaces and encouraging biodiversity. Along with local residents, the council has bought the last part of Langel Common. We're looking forward, not backwards, for Witney.

"Only Labour can beat the Conservatives in Witney"

LABOUR - ON YOUR SIDE

The Conservative government's disastrous handling of the economy has hit all of us. Your Labour councillors have stepped in to ensure those in our community hardest hit have been supported. Cllr. Joy Aitman, as District Executive Member for Communities, directed funding to the food bank, the baby bank and now community warm hubs. Your Labour Town Council has frozen its share of Council Tax, and we are listening to people's needs and supporting them including by funding the voluntary sector to continue with their life changing work.

OUR PLEDGES TO YOU

ON YOUR SIDE

Labour councillors were first out during the floods, and the pandemic. We will stand by Witney and provide support during the cost-of-living crisis.

PROUD OF WITNEY

Labour led the purchase of Marriotts Walk to regenerate our town. We will revive our beautiful market town centre, growing the markets and providing more seating.

GETTING THINGS DONE

You asked us to build up Town Council services, so we have. We brought contractors in-house, reopened the Corn Exchange, and made more sports fields available.

PROTECTING WITNEY NORTH

We will fight against a large new development in Witney North. Action against floods has taken shape, with a pilot flood warden scheme now in Witney.

FORWARD NOT BACK

We look to a brighter future. Labour councillors are rebuilding youth services, and aim to reach net zero by 2028. Witney will be a fairer, greener, healthier place with Labour.

WE'RE BACKING ANDY AND DUNCAN

"Andy and Duncan will bring experience, energy and joined up thinking to the residents of Witney North. Please vote for them."

JOY AITMAN,
WITNEY FORMER MAYOR

"Andy has what it takes to be a great district councillor. Duncan is one of the most hard-working councillors I know. Vote for them on May 4th."

CLLR ANDREW COLES,
WITNEY

Andy Bailey

DISTRICT COUNCIL CANDIDATE Andy is a human rights specialist working in atrocity prevention, supporting marginalised and overlooked communities. Andy has a history working to support families, young people and refugees in West Oxfordshire. He lives on Madley Park and has just become a father. He is passionate about ensuring everyone is represented in politics and has an opportunity to speak out.
