DEMAND BETTER

Only Labour can deliver the energy and integrity needed to make changes and fix all that has been broken by austerity

I love West Oxfordshire and have lived here most of my adult life. I am a local councillor, a leader in a local church, and am undertaking voluntary work to improve our environment.

As a councillor I have made it a priority to tackle flooding, address water quality, and provide better youth and mental health services. In the last year I have secured funding for flood prevention measures in Windrush and emergency mental health services as other provisions collapsed.

I am member of the Neighbourhood Group coordinating responses to the Witney North Development from Hailey, Minster Lovell, and Leafield. We are collaboratively tackling issues of pollution, congestion, flooding, and infrastructure.

I currently work in international humanitarian law – fighting for communities who are overlooked or ignored. I will use these skills to fight for you as your dedicated representative.
