I will always have the concerns of young people and their families at the forefront of my mind. Youth representation has been sorely missing from politics for years, and I'm here to provide and champion it.

My pledges to you

Youth Services

As a careleaver, I will always advocate for our youth services and do all I can to ensure their continuation and rebuilding.

Witney North Development

I will represent residents' views on the sustainability and flooding concerns caused by the proposed Witney North development.

Local services for Local People

I will consistently campaign for the reopening of both Witney police station's front desk and Witney's A&E department.

Social Care

I will use my position to apply pressure to the Lib Dems on the County Council to fix the mess they've made of social care.

Holding Thames Water to account

With the neglect of our Tory MP, councils need to do everything possible to hold Thames Water to account for their violations.

Why we're supporting your Labour candidate

Cllr Owen Collins:

Georgia has used her position to champion our community's needs. She has been a much-needed voice for care leavers and has spoken with passion on the dire state of our mental health services. I'm proud to support her.

Cllr Duncan Enright - Town & County Councillor for Witney North:

Georgia has proved a very effective councillor and campaigner in Witney. She has a unique voice and will speak for all residents, particularly younger people in Witney.

YOUR CANDIDATE FOR

Witney North

Georgia Meadows

As Witney's youngest-ever Deputy Mayor, I've seen the difference Labour makes. This year alone, we delivered a new wheeled sports park on The Leys and detached youth work to cover the gaps left by the government. Now, I'm looking to fight for you on the District Council and bring the change that Witney needs.
